Important note

Seeds from this Index Seminum are not on sale but are available, on an exchange basis, exclusively for scientific, educational, and nature conservation purposes.

Progeny raised from these seeds may not be used to generate commercial profit without prior written permission from the Plant Facilities and Workshops.

Seeds or their progeny passed on to third parties must be subjected to the same conditions.

Plant Facilities and Workshops must be mentioned as the seed supplier in all publications. A copy of the publication must be sent to the Horticultural Gardens.
