

List of participants

- Jørgen Eilenberg – jei@plen.ku.dk - Professor at University of Copenhagen (Insects pathology and biological control)
- Annette Bruun Jensen – abj@plen.ku.dk - Associate Professor at University of Copenhagen (Insects pathology and Apiculture)
- Gabriela Maciel-Vergara – gmv@plen.ku.dk – Ag Train PhD Fellow at University of Copenhagen (Insect farming and insect pathology)
- Nanna Roos – nro@nexs.ku.dk – Associate Professor at University of Copenhagen (Pediatric and International Nutrition)
- Afton Halloran – aha@nexs.ku.dk – PhD Fellow at University of Copenhagen (Agricultural development and small-scale cricket farming)
- Søren Bøyen Olsen – sobo@ifro.ku.dk - Associate Professor at University of Copenhagen (Consumer behaviour and preferences)
- Mohamed Hussen Alemu – mha@ifro.ku.dk – PhD Fellow at IFRO (Consumer behaviour and preferences)
- Michael Bom Frøst – mbf@food.ku.dk – Director Nordic Food Lab, University of Copenhagen (Consumer perception of insects as food, gastronomy, innovation)
- Roberto Flore – rf@nordicfoodlab.org – Head Chef at Nordic Food Lab (gastronomy innovation)
- Josh Evans – je@nordicfoodlab.org – Researcher at Nordic Food Lab (gastronomy innovation)
- Lars Lau Heckmann – lhlh@dti.dk – Biologist, PhD, R&D Consultant at DTI (Insects production for feed and food)
- Anne Louise Dannesboe Nielsen – aln@dti.dk - Head of Section, PhD at DTI Food Technology (Insects as food and functional ingredients as well as sensory)
- Annette Nygaard Jensen – anyj@food.dtu.dk – senior researcher at DTU FOOD (transmission of human diseases and risk assessment)
- Søren Aabo – sabo@food.dtu.dk – Research Leader at DTU FOOD (transmission of human diseases and risk assessment)
- Dorte Lau Baggesen – dlba@food.dtu.dk – Head of section at Danish Technical University (transmission of human diseases and risk assessment.)

- Hans Joachim Offenberg – joaf@bios.au.dk – Senior Researcher at Section for Plant and Insect Ecology, AU (Biological control of pests, edible insects).
